

## **PRIVACY STATEMENT ON THE PROCESSING AND PROTECTION OF PERSONAL DATA WITHIN THE SCOPE OF KVKK - COOKIES**

Pursuant to the Law No. 6698 on the Protection of Personal Data ("Law"), this Privacy statement explains what personal data is obtained from you through cookies, the method of collecting your personal data, the legal reasons and purposes for processing, the parties to whom your personal data is transferred, and the rights you can exercise regarding your personal data.

### **1. Who is the Data Controller?**

Data Controller is the natural or legal person who determines the purposes and means of processing personal data and is responsible for the establishment and management of the data recording system.

Pursuant to the Law, your personal data; as the data controller, **Veri Kurtarma Hizmetleri Tic. A.Ş. ("Veri Kurtarma")** as the data controller within the scope described below.

### **2. What is a Cookie?**

Cookies are small data files that make the visited websites remember the actions and settings of individual users who have made them, so they do not need to re-enter the data. Cookies are stored on individual computers using a web browser. Cookies are not a hazard, they do not serve to get any sensitive personal information, but they are important for privacy protection. We do not use cookies to determine the identity of website users or abuse of credentials. For example, cookies allow users to recognize as an existing user or customize the service to user preferences. We also use cookies to display so-called behaviorally-targeted online advertising on and beyond the Company's web portals, more simply to display only those ads that are relevant to that particular user without being bothered by an ad that does not interest him. Another group is third-party cookies (such as Google Analytics for analyzing the traffic of a specific website or certain services or cookies of the advertising system operators on our site). These cookies are managed by third parties and we do not have access to reading or writing this information. Google has their own Privacy Policy which you can review here. You as a user can reject cookies. However, it is possible that in some cases it will not be possible to display a certain service or product without using cookies. If your browser uses cookies enabled, we will assume that you agree with the use of standard cookies on our sites.

For more information about cookies, visit [allaboutcookies.org](http://allaboutcookies.org).

Cookies are divided into three categories according to their intended use, their parties and their duration:

<b>Cookies by Party</b>	
<b>First Party Cookies:</b> First-party cookies are cookies created by the website visited.	<b>Third Party Cookies:</b> Third-party cookies are cookies created by other sites.
<b>Cookies by Duration of Use</b>	
<b>Persistent Cookies:</b> Persistent cookies are cookies that are not deleted directly when the internet browser is closed but are deleted	<b>Session Cookies:</b> Cookies used to ensure the continuity of the session and deleted when the user closes the internet browser.

after a certain period of time.	
<b>Cookies by Intended Use</b>	
<b>Technical (Mandatory) Cookies:</b> These are cookies that are necessary for the site to be used. If the use of these cookies is blocked, access to certain parts or all of the site may not be possible.	<b>Performance (Analysis) Cookies:</b> Cookies that collect information about how users use the website. They are used for the improvement/development of user experiences.
<b>Marketing Cookies:</b> Cookies used to provide personalized content based on users' interests and to measure the effectiveness of marketing activities.	<b>Functionality Cookies:</b> These cookies are cookies used to remember your usage preferences on the website and to personalize your use of the website.

### 3. Cookies Used and Their Legal Reasons, Purposes and Storage Periods

Details of the cookies used on the site are given below:

#### Mandatory Cookies

Legal Reason	Cookie Name	Intended Use	Duration	Provider
<b>Article 5/2(f) of the Law:</b> Data processing is mandatory for the legitimate interests of the data controller, provided that it does not harm the fundamental rights and freedoms of the data subject.	_ga	Used to distinguish users.	2 y1l	Google Analytics
<b>Article 5/2(f) of the Law:</b> Data processing is mandatory for the legitimate interests of the data controller, provided that it does not harm the fundamental rights and freedoms of the data subject.	_ga_a	Used to maintain session state.	2 y1l	Google Analytics

### 4. What is Your Personal Data Processed through Cookies?

--	---

## 5. Methods of Collection of Your Personal Data

Your personal data mentioned above are collected by automatic methods through cookies. Personal data processing activities carried out through cookies are based on the legal grounds specified under the heading "Legal Grounds" in the table above.

## 6. Sharing Your Personal Data with Third Parties

Your personal data collected through cookies are shared with third-party cookie providers in line with the purposes and legal reasons specified in this Privacy statement.

Your personal data collected through cookies will be shared with cookie providers whose servers are located abroad if you give your consent.

## 7. Disabling Cookies

Most browsers offer different ways to protect your privacy. For example, you can allow first-party cookies or block third-party cookies. You can also update your browser settings to prefer this if you wish to disable the use of all cookies. You can set the cookies to be used according to your preference from the relevant browser cookie management pages or by clicking on the Cookie Settings link.

In this context, you can prevent the use of some cookies. We would like to remind you that if cookies are not allowed, some features of the website may lose their functionality. If you do not approve the use of cookies, we kindly ask you not to continue to the website or to change your cookie preferences as shown in this Privacy statement.

It is possible to customize or completely block cookies by changing the settings of the browser you use. The steps to be followed for different browsers are as follows. If your browser is different from the mentioned browsers; you can review the help or support page of the relevant browser.
